Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Orchard View and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Simeon Frang for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-D,1451,104,0, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

Review the table below listing our schools. For the 2022-23 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

| School Name | Status Label | Key Initiative to Accelerate Achievement |
|----------------------------------|--------------|--|
| Orchard View Community Education | CSI | Competency Based Education |
| Orchard View High School | ATS | Competency Based Education |
| Orchard View Middle School | ATS | Competency Based Education |

Orchard View is proud of the progress shown in this report. We credit our improvement to the dedicated staff, students, and community. Our school improvement teams and district improvement team lead us in obtaining our goals to provide a safe, supportive environment that encourages academic growth, responsible citizenship, and life-long learning for all students.

We also celebrate our first District-Wide COGNIA Accreditation. Increasing student achievement involves more than improving instruction. It is a result of how well all the parts of the education system-schools, students, and community- work together to provide a community that embraces learning. We are eager to embark on this educational journey with the Orchard View community.

Sincerely,
Jim Nielsen, Superintendent
